Dear Supporter,

Meeting 22nd May Little Horkesley Village Hall 7.30pm

Apologies for the short notice but the Committee has decided to call a meeting in Little Horkesley Village Hall on May 22nd at 7.30pm. The purpose of this meeting is to:

1. Update people on the status of the Bunting's Appeal.
2. Decide on SVAG representation at the Public Inquiry. We have been in contact with the Planning Inspectorate and are considering taking Rule 6 status which would allow us to stand alongside the Council in defending the Appeal. We need your input on this as there are significant financial implications. **We need a decision on this urgently.**
3. Other issues.

Please make sure that you come to this meeting if at all possible and pass the message on to other SVAG supporters.
