**Dear Supporter,**

### **Horkesley Park - Application Refused**

We are delighted to announce that the Councillors on the Planning Committee refused Application 120965 at the Planning Committee Meeting last night on a 10 to 4 majority.

The applicant has indicated that they will appeal. However, for the moment, we should celebrate our success, which would not have happened without your continued support and belief in our campaign.

Thank you to everyone who managed to attend the meeting. There were probably more than 400 people at the meeting and the sea of yellow "No" stickers made a huge impact. Thank you also to Morwenna who bravely spoke for an allotted 44 seconds after the formal list of speakers. To see such passion from a Great Horkesley resident is testament to the reasons why we have fought so hard for this result, for so long.

We will send you more details in due course. There is a good summary in today's edition of Colchester's "Daily Gazette" (<http://www.stourvalleyactiongroup.org.uk/Press.html>) and it will probably be on Look East this evening.

Thank you for your support throughout this campaign.

Kind regards,

Will Pavry, Chairman, Stour Valley Action Group
