Dear Supporter,

Planning Meeting - This Thursday

The Council's Planning Committee Meeting to decide Application 120965 will take place this **Thursday 28th February** at 6:00pm.

Please be there to help demonstrate the strongest possible level of objection to this application.

Meeting venue: **Charter Hall, Colchester Leisure Centre, Cowdray Avenue, Colchester, CO1 1YH** (<http://www.charter-hall.co.uk/contactcharterhall>).

Please arrive as early as possible - **5.00pm** or 5:15pm at the latest (*we have been informed that the applicant was canvassing "rentacrowd" in Colchester Market at the weekend & asking everyone to arrive by 5:15pm. We do not want them filling the hall with their so-called "supporters"*).

Please be respectful to all speakers - barracking will not help our cause! We would also ask you to avoid any unhelpful interaction with the applicants and their supporters. We must maintain our integrity at this last crucial stage.

Many thanks to those of you who have put up posters. The Councillors have now all been shown around and the posters were very much in evidence. Thanks to all who put them up, in some cases, again and again!

We will win on Thursday but we need you there!!!!

Best regards,

Will Pavry

P.S. Please forward this to your like-minded friends.
