27th September 2013

Dear Supporter,

Planning Inquiry Next week!!!

Further to our Newsletter of September 5th 2013, there has been a **major change** in the Inquiry programme. Buntings have notified the Inspectorate that they will rely on their written 'Proofs' only and will not be represented at the Inquiry. Their full statement is on our web site.

We need the **strongest possible representation** at the Inquiry on all days but particularly on days one and two, to demonstrate the very strong level of local objection which was so crucial at the Planning Committee meeting in February. Please come. Arrangements are as follows:
