Dear All,

Aware that you have had no news from us for many months, I thought you'd like to know that SVAG continues to monitor proposals for the greenhouse site on London Road. This brief message is mainly to reassure you of that fact!

Pigeon Asset Management, who currently own the land, have been focused on getting the sale of Westwood Park through and, as most of you will know, this has now happened. They are hoping to hold a public exhibition (possibly over the summer) with a planning application following on from that.

We will keep you informed.

Yours sincerely,

Kate Charlton-Jones

Chair of SVAG
